SYLLABUS/ CLASS CONTRACT ME44—Integrated Algebra (Semester 4 of 4)

Class Code & Section: ME44E- **Subject:** Integrated Algebra **Term:** Fall 2011

Teacher: Mr. Pineda **Email:** Mpineda2@schools.nyc.gov **Website:** mrpineda.com

1. Course goals & objectives

- Academic skills: Students will learn basic number sense, mathematical operations and will continue to prepare for both the New York State Regents exam in Integrated Algebra and for further work in future math classes.
- Language skills: The language of math is especially important since it is means by which the concepts and skills of the subject are communicated.
- This is the framework upon which much of the math that follows will build and as such it is very important that students get a firm understanding of these concepts and skills. It is very important to study math daily and to stay up to date with the homework.

2. You are expected to:

- come prepared for class every day
- participate in class every day
- do the daily homework which is assigned
- work together cooperatively in your groups
- formulate and ask questions
- expect some difficulty

3. Themes & Topics

- First Marking Period Themes
 - Quadratic equations and functions
- Second Marking Period Themes and/or Topics
 - Radical expressions and equations.
- Third Marking Period Themes and/or Topics
 - Rational expressions and functions.

Final Regent review and tutoring

Supplies

8 ½" x 11" loose leaf binder with folders to store tests and hand outs.

- Graphing or scientific calculator.
- Graph paper and writing utensil.

4. Assessment Policy

- **Homework (25%)**
- **Exams/Quizzes (40%)**
- **Notebooks/Class Participation (15%)**
- **Projects (20%)**

We will be using a variety of texts and resources in class. Outside of class, students will have a text that they can use at home. There are many great resources for help on the internet. One great place to look for help is www.PHSschool.com webcode: ayp-0795 Your local library also has many great resources and anyone can get a library card for free.

Students/parents may contact me at 718-937-6005, extension 166 or you may send me email to: mpineda2@schools.nyc.gov

-----Cut-off and return to teacher-----

I have read and understand the above requirements are expected of me to succeed in Mr. Pineda`s math class.

Student Name (print)

class

Student Signature

Parent/Guardian

Phone Number(s)

Date

I have read and understood the requirements.

Student's name: _____ Student's signature _____

Parent's name: _____ Parent's signature: _____

Phone number: (____) _____ - _____ Class /Color code: _____

I have read and understood the requirements.

Student's name: _____ Student's signature _____

Parent's name: _____ Parent's signature: _____

Phone number: (____) _____ - _____ Class /Color code: _____

I have read and understood the requirements.

Student's name: _____ Student's signature _____

Parent's name: _____ Parent's signature: _____

Phone number: (____) _____ - _____ Class /Color code: _____

I have read and understood the requirements.

Student's name: _____ Student's signature _____

Parent's name: _____ Parent's signature: _____

Phone number: (____) _____ - _____ Class /Color code: _____

I have read and understood the requirements.

Student's name: _____ Student's signature _____

Parent's name: _____ Parent's signature: _____

Phone number: (____) _____ - _____ Class /Color code: _____

I have read and understood the requirements.

Student's name: _____ Student's signature _____
